

## **School Bus Post-Trip Inspection Policy**

**Policy Number: 5301**

---

**I. Purpose**

It is the policy of Summit Academy schools to ensure that all drivers ensure that the bus is empty and secured following any time students ride on the bus.

**II. Policy**

All school bus drivers are responsible to conduct end of bus route inspections to see that all students are off the bus. This inspection must include the entire length of the interior of the school bus. This inspection will be completed following any bus route, sporting event, or field trip.

Violating of the above provision may result in personnel action and employee discipline consistent with LEA policies.
