

School Activities Supervision

Policy Number: 4302

I. Purpose

Summit Academy Board of Trustees recognizing that extra-curricular activities bring to students breadth of experience, leadership training, and citizenship values not always provided in subject matter courses, the Board encourages the school administrators and faculties to determine, plan, and execute, with the approval of the Board, those student activities which in their good judgment will implement, support, parallel and be consistent with the regular academic program. These activities shall be in harmony with Board policies and in the high schools with the by-laws and rules of the Utah High School Activities Association. Competitive sports programs shall be supplementary to the high school curriculum. They shall encourage students to develop and maintain high standards of personal conduct, academic powers, civic responsibility, loyal citizenship, and wholesome school spirit.

II. Definitions

Extracurricular Activities: of an activity at a school pursued in addition to the normal course of study.
